

2024 DeLand Christmas Parade Disbanding Information

This map is for use at the end of the parade. Please study it and get with your parade team to decide where you are going to park and have parents' pickup their children after you have turned off the parade route. Your cooperation is appreciated so that there won't be a bottleneck at the end of the parade. If you DO NOT use our suggested drop off and parking ideas – YOU DO HAVE TO MOVE YOUR ENTRIES OUT OF THE WAY OF TRAFFIC.

DIGNITARIES: Turn right onto W. Euclid Avenue and proceed to Florida Avenue.

BANDS & WALKING UNITS: Turn left onto E. Euclid Avenue. Proceed to S. Alabama Avenue and turn left or move towards Amelia and OUT OF TRAFFIC. If you are planning a meeting spot for children, you may do so around the Little League Fields and the Armory. There is ample parking there. If you have parents looking for parking, they can also use the parking at Spec Martin Stadium and walk to where they are picking up their children. **If your group is with a float, you will stay with your float and follow the disbanding directions for floats.**

FLOATS & MOTORIZED VEHICLES: Turn left onto E. Hubbard. If you are a float and need to drop people off, you will be routed to the "Float Drop Off Lot". There is easy access in and out of this parking lot. If you are a tractor trailer you will stay on E. Hubbard to unload. There will be a safe and lighted area marked for children to wait for their parents at the SW corner of Hubbard and Alabama. Parking for parents will be Earl Brown Park, the parking lot at the SE corner of Hubbard and Alabama, or Spec Martin Stadium. If you do not wish to drop off, then proceed out to Amelia Avenue.

We suggest you check out the area in advance so you can plan where you will be going!
